

TAXIWAY'S TOURS

The tours have been designed and are performed by professional drivers so that visitors have the opportunity to visit and at the same time to be informed about the most important sites and monuments of the city as well as of the wider area (of archaeological and tourist interest) covered by us within a few hours and so that they have the best possible impression of the places they visit.

The journey and selection of sites to visit can be changed based on the visitor's available time or on additional sites they might be interested in. Taxiway needs to be informed at least 3 hours in advance to the performance of the tour to determine its availability and cost.

*The tours can be performed by foreign language speaking drivers upon request and given that the radio taxi company is informed in time. The available languages are: English, French, German, Italian, Russian, Swedish, Turkish, Serbian, Bulgarian and Spanish.

*Our company may also provide expert tour guides upon request with an additional cost.

OUR TOURS IN DETAILS

TOUR 1A

THESSALONIKI (a)

Starting from the castles, in the area of Ano Poli, which survived the fire in 1917, we visit the walls which the city was surrounded by until the end of the 19th century, the monastery of Vlatades, the tower of Trigoni, the Old Town, the Byzantine fortifications Yedi Kule which were later to be used as a place of detention for political prisoners, and the Eastern Byzantine Walls.

- The church of St. Dimitrios, protector of the city, and the catacombs of the early Christian years.
- The ancient Roman forum which was the center of the Roman city and formed its economic and commercial core.
- Three of the oldest Byzantine churches of our city, namely Panagia ton Chalkeon, Acheiropoietos and Agia Sofia.
- The Archaeological, Byzantine as well as the Jewish museum.
- Lefkos Pirgos (The White Tower), fortifications of Ottoman construction, which were later used as a lodge for the guard of janissaries and as a prison for people sentenced to death; also, the statue of Alexander the Great, King of Macedonia.
- The former royal summer palace (Kivernio).
- Last, there is the possibility of a ride by the sea until the area of N. Krini in the Marina of Kalamaria, which offers a view to the city and the Thermaic Gulf.
